4 2 2

Three generous bedrooms, all with robes, the master with ensuite and walk-in robe, separate formal lounge room with private courtyard, rear open plan living and dining, a designer kitchen with large pantry, dishwasher, lots of storage spaces, gas cooktop and underbench oven, family-sized bathroom with separate toilet, and a well-equipped laundry.

For the family, grant solitude to child number 3 in the fourth bedroom, or for the professional, flip it into office space, offering the central, second living zone as toy territory or a studio retreat with an across-the-way courtyard escape. For year-round comfort, the home is fitted with ducted reverse-cycle heating and cooling.
